How to book:

1. Choose sessions that your child will enjoy participating in

 New service users - Send the participants full name, address, date of birth, contact number and email address to recreation@moira.org.au

Please note activities are subject to change depending on the weather and safety of our participants

***Activities in purple are excursions - Children are required at the program between 9:00am and 9:30am on these days**

MOIRA recognise that every child is different and has different interests. While all activities each day will go ahead as planned, no child will be forced to participate in any one activity. All children are given the option as to whether they would like to participate in an activity and also give suggestions on what they would like to do. We will always make it our second priority, behind safety, to satisfy the needs and interests of the children in the program.
